

IMS APP for Android & I-Phone Instructions:

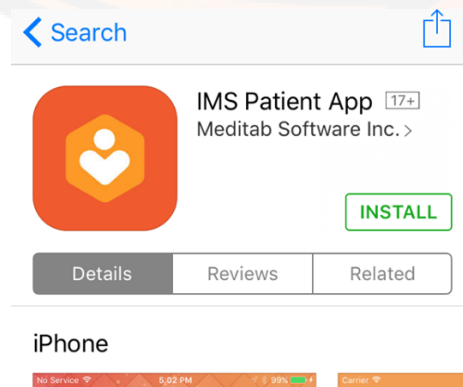

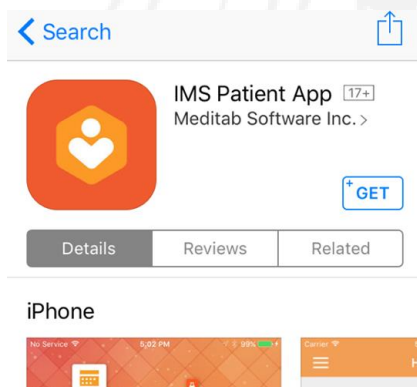

- **Step 1:** Go to the **Google play store** for **Android**  or **App Store** for **I-Phone** 
- **Step 2:** Tap the Search function and type in “**IMS Patient App**”

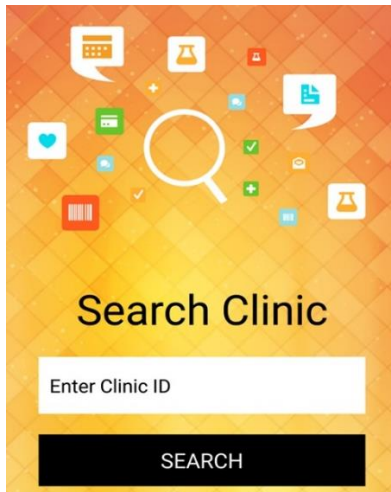

- **Step 3:**
For Android: Click on the **Orange Icon** and you should be taken to the screen below. Hit “**Install**” to begin installing.

For I-Phone Click on the **Orange Icon** and you should be taken to **Screen 2&3**. Hit “**Get**” and then “**install**” to begin installation.

- **Step 4:** After the App is done downloading go to your apps and **tap the icon to open the app.**
- **Step 5:** Once the app is open, Hit “ Get Started” then scroll through until you get past the “End User License Agreement” and to the “**Search Clinic**” screen:

enter the **clinic ID: P1317512**

- **Step 6:** Next you will enter in your Patient Portal Username and Password to Login in.

Congratulations you should now be all set up!
